

Classroom Times

Teacher: Mrs. Jessica Scott Date: August 2021

Terrific Threes

We have been very busy these first weeks of school! Mostly, we are learning about classroom routines and expectations. The children are doing a great job sharing and are gaining listening skills. We also began our first religion & science unit, "I Can Hear." We've had several games and activities introducing our first color, red. This class loves to draw and color! We are off to a great start!

Fantastic Fours

We have been very busy these first weeks of school! Mostly, we are learning about classroom routines and expectations. The children are doing a great job trying to make green choices. We also began our first religion & social studies unit, "God Made Me." We've had several games and activities introducing our first letter and sound -- Letter A. Keep up the good work!
